

Dear Doctor:

The Unified VCA connects you to a network of colleagues, consultants, staff specialists, and profession leaders -- all just an email, phone call, or web link away. An online referral listing, doctors' list-serve, resource-packed web site, discounted top quality CEUs, pro-active and dedicated leadership, accessible staff, CA training, and reliable communications help give you the practice support and information you need -- especially during times of change like these. **But don't take our word for it! See what your own colleagues are saying...**

"Just when you think you know it all, you realize you know very little...Great stuff."

Phil Connolly, DC, Alexandria

'Maybe we should remind everyone that "they don't have to be alone". I know in talking to many of my friends out of state, many of them don't know where to go when they have a problem. Having the forum is a huge benefit besides all the other benefits of membership.' *Michael Vanella, DC, Virginia Beach*

"I am very proud of where our association is going!" *Scott Banks, DC, MS, Cape Charles*

"I love the unified association. Thanks for joining us together and leading us down the path of inclusion. When I chat with chiros from other states, I am so proud of what we have done here." *Holly Moriarty, DC, Gainesville*

"My recent victory with Progressive just proved to me the value of being a member of the Unified VCA!" *Leslie Holcombe, DC, Arlington*

"Thanks for doing such a great job, day-in day-out!" *John Lofgren, DC, Richmond*

"I have had nothing but outstanding service from the VCA. I will continue to be a member for as long as I practice." *Cory McKinley, DC, Danville*

"We're so grateful to have such a well-put together organization in our state... We've used VCA's seminars, the information in the publications we get, and networked with other members for valuable information." *David Donofrio, DC, Richmond*

"Thank you for a wonderful convention. I really got a lot out of it, in all respects:

educationally, politically, practice building, and socially." *S. Vella, DC, Virginia Beach*

"Best \$ I ever spent! Just wish I would not have waited for so long to join!!" *Jamie Higley, DC, Powhatan*

"Thank you very much for the great advice. I wanted to tell you how proud I am (again and again) to be a member." *Jeff Borenstein, DC, Alexandria*

"As someone that works with state associations and other organizations all over the country, I can tell you that... I get slower responses from groups that have 20 employees!" *Susan McClelland, Christiansburg*

"Thank you for helping me grow as a provider. My patients don't know to thank you; but I sure do." *Daniel Shaye, DC, FIAMA, Williamsburg*

"I'm so glad I joined. It was awesome to be able to speak to knowledgeable people in such a short amount of time." *Jean Luc Sansfaute, DC, Alexandria*

"Thank you! I am proud to be a member." *Kim Charney, DC, Virginia Beach*

"I don't know how we can ever keep up with our profession at times. The VCA certainly helps." *Todd Fichtel, DC, Galax*

"I am so glad you provide us with such solid information... we get loads of advice, and it is hard to determine which is OK to use and which is not. I cannot imagine why everyone is not a member!" *Danny Floyd, DC, Spout Spring*

"I am a sucker for a well-run and well-meaning organization!" *Nelson Marquina, PhD, DC, Richmond*
"Anyone who has not attended a VCA

function lately, for any reason, needs to do so and once again connect with our state association." *Elliot Eisenberg, DC, Richmond*

"Thanks. You are doing a great job." *Lawrence Griffith, DC, Glen Allen*

"You are always accessible and answer any questions our office has." *Charlene Truhlik, DC, Marion*
