

## Membership Agreement for Associations, Foundations, Non-Profit Organizations, and Government Agencies

The **Arizona Business & Education Coalition (ABEC)** is the only non-partisan, statewide membership organization that brings business, education and other community leaders together to learn from each other and positively change the future of Arizona's public education system. ABEC is a coalition that is solely funded through sponsorship, in-kind donations and membership dues. As a 501(c)(3) organization in Arizona that receives public funds via membership dues, ABEC cannot support or endorse any candidate running for public office, nor can it influence the outcome of an election.
