

MISSION

Leadership Venice is designed to expose current and future leaders to all aspects of the Venice community. The program's purpose is:

- To gather community leaders of diverse backgrounds
- To develop their knowledge and desire to accept civic responsibilities and leadership roles
- To expose participants to the challenges and opportunities that face the Venice community
- To open dialogue among emerging and current community leaders

SELECTION CRITERIA

Individuals selected will:

- Have demonstrated commitment through past and current community activities <u>or</u> exhibit a desire to commit to community involvement
- Represent a cross section of the community of all ages and geographic representation. Diversity is an important component of the program's purpose

GRADUATION & ATTENDANCE REQUIREMENT

Understanding the importance of the attendance policy is key. Attendance is **mandatory** for the Class Orientation, and the Opening Retreat and Closing Graduation. Equally important is the expectation that all class members will strive for perfect attendance. It should be understood that more than 2 absences will cause that class member to be eliminated from graduating from the program. Each class member understands there is a commitment to participate in a class project to be selected by the class.

TUITION

Tuition of \$945 (Chamber members) or \$1145 (Non-Chamber members) is all inclusive of session materials, field trips, refreshments, meals, occasional transportation and the graduation celebration. Funds may be available on a limited basis for qualified tuition assistance. Once payment has been received as tuition for the class, there will be no refunds made under any circumstances.
