WEST SAN GABRIEL VALLEY ASSOCIATION OF REALTORS® AWARDED PLATINUM GLOBAL ACHIEVEMENT PROGRAM AWARD BY NATIONAL ASSOCIATION OF REALTORS®

Global Business Council of West San Gabriel Valley Association of REALTORS® has been awarded the Platinum Global Achievement Program Award from the National Association of REALTORS® Commercial and Global Services Group. This places the Global Business Council in the top 11% of Global Councils nationwide.

Global Business Council has shown the highest level of service to its global members by consistently providing them with the tools they need to handle international real estate, as well as connecting their members to the global community in their area. The services and resources they have worked hard to provide their members are the benchmarks upon which the standards have been set.

“We are thankful to Global Business Council for their commitment to enhancing global business opportunities for REALTORS® in their market,” said Janet Branton, NAR Senior Vice President of Commercial & Global Services. “They have done an outstanding job and we are pleased to provide them with the Platinum Global Achievement Program Award.”

Global Business Council was formally recognized at the organization’s REALTORS® Conference & Expo in November 2017 in Chicago.
