Supporter Benefits for Professional Services Organizations

About SLU Chamber

Since opening in 2006, the SLU Chamber has served as a connecting point for all who live, work and play in South Lake Union. The chamber's 200+ supporters include non-profits, micro businesses, start-ups, Fortune 500's and everything in between.

Why Join?

Becoming a supporter opens new doors for your business. From offering personalized introductions to providing targeted business development opportunities with other local businesses, the chamber is dedicated to helping our community thrive by connecting the people and organizations that call it home.
