## LOUISIANA

## 2023 Health & Wellness Policy Statements

### **Long-Term Care**

Ellevate supports the creation of a new Community Options Waiver Fund to be funded by 12% of excess revenues, up to \$50 million, to provide home and community-based supports for our senior citizens.

### **Behavioral Health**

Ellevate supports the mental health crisis stabilization funding in the executive budget for 2023.

### **Telehealth**

Ellevate supports policies that strengthen and expand the use of telehealth or telemedicine.

### **Domestic Violence**

Ellevate requests \$15 millions in funding for domestic violence victims' beds and opposes legislation that weakens victims' rights and protections.
