

Summer 2026

**National
Civics Bee®**
by THE CIVIC TRUST.

Alabama Chambers

A look into the **National Civics Bee®**

In Alabama's statewide National Civics Bee® competition, middle school students from across the state flex their civics knowledge and compete for the coveted title of Alabama champion. By investing in the Bee, sponsors actively contribute to building a well-informed generation capable of understanding complex policy issues and making informed decisions - all while gaining invaluable exposure and community engagement.

graders who can
participate

Why Civics Matters

"Informed, active citizens are the heart of thriving communities and economies. The Chamber of Commerce Association (Alabama Chambers) is proud to bring this important event to Alabama."

- Paige Hutto, Alabama Chambers President & CEO
