FRASER VALLEY BUSINESS COALITION

ABOUT THE COALITION

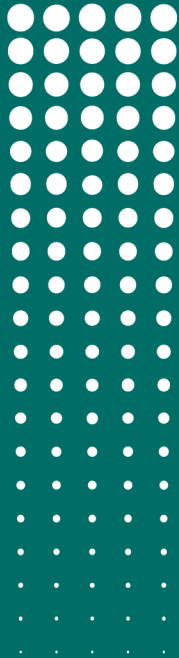

Abbotsford, Langley, Chilliwack and Mission Chambers are uniting as the Fraser Valley Business Coalition (FVBC) on behalf of thousands of businesses to advocate for growth-enabling investments to support businesses and strong economic activity in the region.

One of the Coalition's activities will be to organize a regional economic summit hosted at the University of the Fraser Valley.

Key Focus Areas of the Coalition:

1. Investing in Critical Infrastructure
2. Giving the Fraser Valley its fair share in student seats to power our workforce
3. Promoting Innovation in Agriculture/Agri-tech
4. Finding solutions to Crime and Vandalism

ABOUT THE SUMMIT

The Fraser Valley Economic Summit will bring together business, community and government leaders to discuss the future economic potential of the Fraser Valley, highlight regional success stories across our communities, and include best practises from leading economic development and private sector voices from across the Province.

Sessions will focus on the state of the regional economy, key infrastructure and transportation needs, opportunities in agriculture and ag-tech, regional economic development potential, and supporting the region's future workforce needs.

The Summit is taking place at the Fraser Valley, which is situated in the traditional territory of the Stó:lō peoples.
