

Magic Valley Young Professionals is a group dedicated to fostering *relationship building*, *leadership and professional development*, and *civic engagement* among young professionals in the Twin Falls area.

Established by a volunteer group of forward-thinking leaders in our community, MVYP is now excited to be a part of the Twin Falls Area Chamber of Commerce, an organization providing a voice, vision, and focused leadership to enhance the economic vitality and quality of place in the Magic Valley.

Many of our members are new to the area and know what it's like to figure out how to navigate the community, find ways to meet people, and learn more about the unique opportunities the Magic Valley provides. The Magic Valley "lifers" of the group seek to help newcomers while developing a network of fellow professionals and becoming more involved in civic responsibility.

MVYP is mainly comprised of the 21-40 year old population, but is open to any "young thinking" or "young-at-heart" professional.
