INVESTING IN YOUR CHAMBER

The work of your Chamber is financed by the investment of the Members who support it. The income for the Chamber comes from Membership Investment and non-dues revenue such as our annual fundraisers **Windfest**, State of the City Luncheon, State of the County Luncheon and the Taste of Portland.

According to a 2012 study conducted by the Schapiro Group, 49% of consumers were more likely to think favorably of a local business if it was a member of the local Chamber—and 80% were more likely to purchase a product or service from a Chamber member. The Portland Chamber has over 300 members, 70% percent are small businesses with 50 or fewer employees.
